in white,
supplied on
A4 sheet for
laser printing

A4 and foolscap suspension filing Lateral are supplied unlinked with rails suitable for linking. An average of 25 pockets per 300mm of filing is the industry standard, however the contents of each individual pocket will determine the precise space required.

Product Cleaning

To care for your Triumph unit we recommend it is wiped over with a damp cloth or duster. Do not use any abrasive or solvent based cleaner that may permanently damage the paint finish.

Key Information

Fast Key hold stock of key blanks and will cut and supply replacement and master keys for most of our keys within 24 hours. Master keys will only be supplied on an official order or letterhead which must show the end user and contact name.

Simple steps to Order:

1. Make a note of the product
2. Make a note of the serial number on the lock
3. Directly contact Fast key
4. Follow the instructions Fast Key provide
